Text 1

W: Alright, all done. I've filled the hole, but you'll need to stick to soft food for about 24 hours, okay?

M: Thanks. How can I avoid this happening again?

W: Well, you obviously brush your teeth well. **But you're still having too many sweets and sugary drinks.** (1)

Text 2

M: **I think it's important to be fair and kind in a match, even when you lose. Showing respect is just as important as winning.**

W: **I admire you for that, Alex. I saw you congratulate the winner today, even though you lost the game.** (2)

Text 3

M: **I just spent two hours getting rid of thousands of old junk emails and deleting files I no longer need.** (3)

W: It seems worth a try! Nothing feels better than a digital "spring clean". I should do the same, really, but I never find the time.

Text 4

W: What happened in the football match? **You had an open goal but instead of shooting, you kicked the ball out of play.** Did you think the judge had blown his whistle for something?

M: No, **①the opposition goalkeeper fell over and injured himself. It wouldn't have been right if I scored then.** (4)

①本句中 fell over 之间存在“辅音和元音的连读”现象: /fel 'oʊvər/。

Text 5

M: I have no idea where we parked the car.

W: Let's take a look at the map. **Hmm...every level is a different color. You know, I'm sure our level was pink. That's level five. ②We're on level eight now.**

M: **Okay, let's go!** (5)

②本句中 eight now 之间存在“不完全爆破”现象: eight 最后一个音为爆破音/t/, now 第一个音为鼻辅音/n/, 两者遇到一起, 前面的爆破音只做部分爆破, 立即过渡到后面的鼻辅音上去。

Text 6

W: **So, you left your computer bag here on your chair, and when you returned from the bathroom, it was gone?** (6) (7)

M: **That's right.** (6) (7) I was only gone for two minutes.

W: I see. Well, **none of the waiters saw anyone near your table.** (7) But these things usually happen very quickly.

M: Is there nothing you can do, officer? **That laptop cost a lot of money!** (6)

W: I'll speak to the manager before heading back to the police station. **If the restaurant has cameras anywhere in the building, that may give us a lead.** (7)

M: Okay, thanks.

W: Go home for now. I'll call you if we discover anything.

Text 7

M: So, the big day isn't too far away now, is it? (8)

W: No, it's on the 26th of June, so it's exactly three weeks from today! (8)

M: How exciting!

W: I haven't slept well in about a week. There's just so much to do when it comes to organizing a wedding! It's a lot of pressure. (9)

M: Oh dear.

W: But we're getting there. And on Friday this week, my female friends are taking me away for a relaxing weekend. (10)

M: Lovely! How nice of them!

W: Yes, we're going to a beautiful hotel in the countryside. I really can't wait!

M: Are you flying to Italy straight after the wedding?

W: The next day. We're spending five days in Rome city center, as that's where Kai gave me a surprise. He asked me to marry him there.

M: Lucky you!

Text 8 (第 11 题为总结题)

M: ☹️ I'm finding it difficult to choose your Christmas present this year.

W: Well, if it's easier to just give me money, or a gift card, that's fine!

M: No, you said you wanted books, and I'm going to get you one. But I need to know more about what kind of novels you like. (12)

W: Well, I've always been a big fan of early 19th century novels, such as *Frankenstein* and *Wuthering Heights*.

M: Have you ever read *Jane Eyre*? (12)

W: No, actually! But I'd definitely like to. (12) I've heard it's a fantastic story.

M: Well then, we might have a winner! (12)

W: Ha-ha!

M: I like 19th century novels, too, but I tend to prefer later ones. They focus more on real social issues and historical events, for example those written by *Émile Zola* or Charles Dickens.

W: Yes, the books written toward the middle and end of the century tended to be a bit darker, didn't they?

M: Definitely. Dickens is probably my favorite novelist of all time, although my favorite book has to be *Les Misérables* by Victor Hugo. (13)

W: Oh, that's great!

- ★ 《弗兰肯斯坦》(*Frankenstein*) 全名是《弗兰肯斯坦——现代普罗米修斯的故事》，其它译名有《科学怪人》《人造人的故事》等，是英国作家玛丽·雪莱在 1818 年创作的长篇小说。
- ★ 爱弥尔·左拉(*Émile Zola*)，生于法国巴黎，法国自然主义小说家和理论家，自然主义文学流派创始人与领袖。其代表作有《小酒店》《萌芽》《娜娜》等。
- ★ 《悲惨世界》(*Les Misérables*) 是法国作家维克多·雨果(Victor Hugo)创作的一部长篇小说，首次发表在 1862 年。故事的主线围绕主人公冉·阿让的个人经历，融进了法国的历史、革命、战争、道德哲学、法律、正义、宗教信仰。书中人物形象突出，色彩瑰丽，气势浩大，堪称现实主义与浪漫主义结合的典范，可以说是一部人类苦难的“百科全书”。

ext 9

f: What's the matter with you? You look really stressed out! (14)

W: I'm fine. **I'm just concentrating. (14) (16)**

M: On what? That doesn't look like homework.

W: No, I've already finished all the reading I was given to do this weekend. **Mom and Dad said I could play on the computer for a bit, as a reward. (15) (16)**

M: **Lucky you! I've still got my science homework to finish before they'll allow me to relax. (15)** What's the game?

W: **It's a mystery game. (16)** The story is really cool, actually. You play as a detective, and you have to figure out who killed a rich factory owner.

M: Wow, that sounds like fun!

W: It is, but it's also really challenging. You have to question people and watch their responses to decide whether they're telling the truth or not.

M: You mean like their body language or stuff like that?

W: That's right. It's not easy! And your choices can affect the story, so I want to get it right.

M: Who are you interviewing at the moment?

W: Oh, that's the factory owner's wife. But I don't think she did it. At the moment, my best guess is that the killer is the factory owner's business partner.

M: Don't tell me! I'd quite like to play it myself. **But right now, I should probably get on with my physics project. (17)**

Text 10

When I was very little, **my father found a new job as a science teacher in a town close to where he had grown up. It was a great opportunity, so my family moved back to my father's hometown. (18)** The plan was to stay with my dad's father for a few months until we found our own house. However, we soon found that "three generations under one roof" suited us well. **Granddad was able to help my parents keep us busy, (19)** while he enjoyed the company. He also needed some help around the house, as he was getting older. Like many people in his generation, he was very careful with money and resources. He would clean the house with cut-up old clothes. He loved his vegetable garden and carefully preserved what he grew. **Having worked at a radio factory for most of his life, (19)** he was great at building and fixing things. **He made a beautiful doll's house for my sister and a toy shop for me. (20)** My father told me that, when he was a boy, **Granddad had once built a small roller coaster in the garden for him and his two younger brothers! Granddad was a creative, gentle, and unique man, (20)** and I feel so lucky and grateful to have spent that time with him.
